

⁷ And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn.

⁸ And there were in the same country shepherds abiding in the field, keeping watch over their flock by night.

⁹ And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid.

¹⁰ And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people.

INGREDIENTS

8 ounces cream cheese room temperature or softened

3/4 cup white cheddar

3/4 cup dried fruit

1 1/2 cup mixed nuts finely chopped

1 1/2 cup bacon crumbles

Medium sized pretzel sticks

1 - 1 1/2 Tbsp Italian seasoning

INSTRUCTIONS

Beat together cream cheese, cheddar, fruit, and herbs until smooth
Form into tablespoon sized balls and place on baking sheet. Let chill in refrigerator for at least two hours.

Roll each cheese ball in either bacon or nuts (or both!), pressing them lightly into the cheese so that they stick.

Keep covered in fridge until you're ready to serve (I think they are best served very cold. I would recommend keeping in the fridge overnight before serving) Just before serving, skewer with pretzel. Enjoy!

With COVID spiking everywhere around us, restaurants and stores shutting down, you can't help but feel "down in the dumps" preparing for these shut downs. So what can we do to make time pass during this second shut down, and how can we avoid winter depression in the middle of a pandemic?

WHEW! Well first things first...

Start a daily productive "to do list" to get things done around the house. This is incredibly important because once you've temporarily stopped your daily routine, it's easy to get stuck in a rut, or become a couch potato. Next thing you know, your dishes are stacked up, laundry is piling up all over, and nothing is getting done around the house because you've lost all motivation. Put this particular priority at the top of the list of things to do.

Secondly, if you aren't working out on a weekly basis, now is a great time to start! You have all the time in the world and "at home workouts" are fun! You don't even have to leave your living room to get started! You can google some easy starter workouts to begin or you can contact me and I will get you a list of easy start up exercises to do. Working out can also increase your endorphins to make you feel happier, which will kick those winter blues and quarantine blues!

Most importantly, it is imperative that you stay calm and remember we are all in this together. I know sometimes it is easy to lose sight of the importance of keeping each other healthy and safe. Try to remember you may be helping others when you practice healthy habits for yourself. If we all work together we can overcome this. It will take some time but we can do this!

program to get into if you want to learn how to manage your money. I'm glad I had the opportunity to be in this program. It has taught me a lot. You never really know how much money you spend on nonessential things. This program will teach you how to spend appropriately, and how to save money. I recommend everyone try this program!
